

SHOULD YOU HIRE A Workers' Compensation Lawyer?

IF YOU'RE HURT AT WORK,

you may be wondering if you should hire a workers' compensation attorney. Here are 7 situations where a lawyer's help can be vital.

1

Your employer or the insurance company denies your claim, or refuses medical treatment.

2

You are currently receiving Social Security disability benefits.

3

Your injuries may prevent you from returning to work at all.

4

Your employer fires or otherwise retaliates against you for filing a workers' comp claim.

5

Your benefit payments are late or not for the proper amounts.

6

Your injury will require medical attention in the future, or replacement of artificial medical devices.

7

Your injury was someone else's fault, or it happened away from your regular workplace.
