

Why Hire The S.E. Farris Law Firm?

No one calls our office because they're having a good day. That's why our entire team is dedicated to serving your needs, protecting your rights, and making you whole again after an injury. There are a lot of law firms to choose from, but here is why you should hire The S.E. Farris Law Firm.

01 SMALL BY DESIGN

Our small size means we can focus our full attention on the needs of our clients.

02 EXPERIENCE ON YOUR SIDE

We have more than 25 years of experience and worked with more than 15,000 satisfied personal injury and workers' compensation clients. We would be honored to get results for you.

03 WITH YOU EVERY STEP

Unlike other law firms that leave you in the dark, we are with you and keep you updated throughout the legal process.

04 YOU'RE OUR TOP PRIORITY

We are selective about the clients we represent—we don't have thousands of clients like the big firms do—so we can give you the personalized attention you deserve.

05 ONE CALL/EMAIL AWAY

You never have to worry about your case getting passed to someone else. You have prompt access to your attorney throughout the entire process. If the legal assistant can't answer your question, your lawyer will, within 48 hours if he is not in trial or out of town.

06 HONEST & UNBIASED

Not every case requires a lawyer. If yours doesn't, we will tell you so for free during your consultation.

07 NO CHARGE

There are no fees for an initial consultation, and if we choose to further review your case, we will do so at our expense.

09 PREPARED

We can't guarantee the outcome of any case, but we can guarantee that we'll be prepared and that you'll be prepared if you choose to take your case to court.

08 READY AND WILLING TO FIGHT

We are willing to go to the mat for every client we choose to work with—because we can go to trial, we don't often have to. Insurance companies know that we will not settle your case for pennies on the dollar just because it's good business for our law firm.
